

2015 FAITH-FULBRIGHT SCHOLARSHIP RECIPIENTS

The Fulbright Program is the premier international educational exchange program in the world. It was established in the United States in 1946 by Senator J. William Fulbright of Arkansas. The Fulbright Foundation in Greece offers scholarships to Greek and American citizens – students, teachers, scholars and artists – to pursue a wide variety of educational projects. The Foundation awards grants to Greek and US citizens to study, teach, lecture or conduct research in the United States and Greece respectively.

Dr. Efastathios Arapostathis

Dr. Efastathios is from the National and Kapodistrian University of Athens and will conduct research in the field of industrial property law and inventorship at the Center for Science and Innovative Studies at UC Davis.
